

Pictures - April 17-20 - 2017

Posted on the back, is the name of your Childs dance and the day(s) and the time(s) your picture(s) will be taken at the studio. **Please be at the studio NO LATER than 10 min. before your scheduled picture time.** Have your costume on and put together, make-up and hair done, correct shoes on, and correct color and **brand** of tights (**Capizio**). No underwear is to be worn under your costume for pictures or recital. There is a tutorial on the website under the "Starz dance team tab" on how we **suggest** to do make up and bun. The fake eyelashes on the tutorial are not required for recital. As well as the brand of make-up we state.

Quietly wait to be called for your picture in the lobby or front studio room. Have your envelope(s) filled out and correct amount of money inside. (no change will be provided) Checks are to be made to **McVicar Photography**. If you are in more than one number you must have an envelope for each costume. You may put the total amount for all pictures in one envelope. Please make a notation on the first envelope if you choose to do this.

We try our best to run on schedule but sometimes there are delays. You can help us stay on schedule by being ready and arriving on time. Please be patient and try not to schedule other activities for that evening. In order for the photographer to do the best job and to help keep things running smoothly, the photographer has asked that parents stay in the other room during pictures. This keeps the eyes focused on the photographer and not Mom/Dad ;)

No classes, the days of pictures. April 17 - 20

When you receive your costume take it out of the bag and, if need be, sew or pin everything together. Look at the picture posted at the studio as to how your costume is to be worn. To remove any wrinkles, hanging it up in a hot shower with steam usually does the trick. Cut all strings that may be hanging. Please keep in mind the costumes are not a custom fit. We measure each student and add 1-2 inches and order from the size chart they give us. After the costumes are in, it is almost impossible to get another costume in time for the recital. So please be understanding if the costume does not fit perfectly.

Also listed on the back of this sheet is the color of tights you are to wear and how your hair is to be worn. If you have a hair piece, place it on your Childs rights side of their head or around pony/bun, unless your instructor has specified other. If your hair is too short to put up, do your best to look the same. **All tights must be made by capizio.** Tights can be purchased at Dance Supply Etc. in O'Fallon, Madison's Dance wear in Chesterfield or most any other dance supply store or online. If you are in tumbling and in other dances that require you to wear capizio light suntan tights, it is best to get the transition tight. This allows you to wear the tight both footed and off the foot for tumbling or dances that require no shoes. If you have long pants you are not required to wear tights, but no underwear or socks that can be seen, may be worn. Unless specified by your instructor.

Please be at the studio NO LATER than 10 min. before your scheduled picture time

Solos, Duets & Trios may get their pictures taken in between picture times. Have your pose ready!

Pictures will be handed out the last week of class, May 8-12.
