Silks Dress Rehearsal May 13 at the CH Jones Auditorium: No Dress rehearsal for other classes

Enter the Circus: Mon Lev 1 & 2 7:30am, Sun Lev 2 & 3 7:45am, Wed Lev 3 & Sun Lev1 8:00am

Student Dressing Room & Arrival Time: Signs will be posted in the lobby as to where your dressing room is located. Students must be in their dressing room ½ hr before the show begins unless otherwise instructed. They are to arrive in the costume they are first performing in with hair and make-up done. **They must remain in their dressing room unless otherwise instructed. A TV is provided for students to watch the show in the dressing room.**

Pre School and Pre Combo Students: These students only, during the half of the show they are not performing in, will be able to sit on your lap and watch the show. If you are in the first half you will need to be in your dressing room ½ hr before the show begins and can be taken out of your dressing room no earlier than intermission. If you are in the second half of the show you are to go to your dressing room at intermission and then be picked up on stage after the finale.

Finale Celebration and Give a ways: Students will come on stage at the end for one last applaud. To celebrate, there will be prize give a ways tossed out. Pre School & Pre Combo students will be on the front part of the stage and may be picked up there when the finale is over. If they perform in the second half of the show, they will be brought out to the stage from their dressing room. Pre School and Pre Combo Students who performed in the first half and are already in the auditorium may walk up on the stage. All other students will go back to their dressing room where they may be picked up when the show is over.

Dressing Room Volunteers: We need 1-2 Female volunteers for younger classes to be with the students in the dressing room. Volunteers need to be in the dressing room ½ hr before the show begins or go back at intermission. Dressing room helpers will escort their class behind stage 3-4 numbers before they are to perform. Volunteers will be able to watch on the side of the stage or walk down front to see the performance. You will then take them back to their dressing room and stay with them until intermission or the end of the show. Each volunteer can get a \$10 rebate. Please sign the sheet on the information wall at the studio if you would like to be a volunteer. To receive your rebate, please fill out the rebate form and give it to the office assistant, May 15-19, and she will give it to you at that time. Thank you for your help!

Costume Changing: If your child needs help changing costumes, please quietly leave the auditorium in between numbers to do so.

Make-up & Hair: Make-up is recommended to be worn so that you can see the performer's expressions in the bright stage lights. Make-up is not mandatory. I recommend blush, red lipstick and a light colored eye shadow covering the entire eye and blending it with a charcoal color from the lashes to the crease of the eye. Eyeliner Mascara or fake eyelashes are recommended but not required. Hair is to be done neatly the way the instructor has asked and no visible underwear is to be worn! A Make-up and Hair bun tutorial is available on the web under the Starz dance team tab.

Video Taping: No Tripods allowed in the isle. We recommend you purchasing a DVD form Mr. Video. The order sheets will be provided and are to be turned into Mr. Video the day of the performance. Forms will also be available at the show.

Flowers: It is a tradition to give the performer flowers after a performance. Flowers will be available to purchase before each show and at intermission. You may also special order a bouquet in advance and have it there ready when you arrive. Special orders must be in the payment slot at the studio by May 5.
